Each year the Vanguard Staff tries to come up with a theme to represent the year that is unfolding. Reflections is the theme that the staff decided on to show the students feelings on the past years events and allowing everyone to express their hopes for a new variation on their education and life. Through our Reflections we hope that each event that you want to remember is frozen in time so that days, months, or even years from now it will take you back to that special moment, whether it be at a Tennis match, Football game, Prom, or even Graduation

# Our Generation

## Students lives in Review

Northwest has made changes and has moved forward to a new beginning. The lives of students at Northwest have been rearranged, complicated, and misunderstood. As young adults we have shown that we can indeed have parts in our own future. We as students have not made this the "X Generation", but "Our Generation".

REFLECTIONS

# Books, Friends, and Teachers

Northwest Staff helping a parent register their child.

On August 21, 1995, Northwest students got in gear to head back to another year of school. The day began with a half a day. Students found their classes, met the new teachers, and learned the new rules. Students came to find out that their classes were increased by 40%, and extremely "hot".

Northwest students were put together with students from the now "old" Washington and Howe. We have learned that being different and proud are just things that let us know who we are at Northwest. These things will hopefully let everyone call the "green and silver" home.

# A Day of Victory

## A Week of Pride

**Peace man!**

The excitement mounted as Northwest students anticipated the week long celebration for the 1995 Homecoming. Each grade level decorated the hallways in green and white while some of the students decorated themselves in outrageous costumes and paint. All through the week, school spirit was evident. The pep session gave students the opportunity to energize, meet the players, and prepare for an exciting night of football.

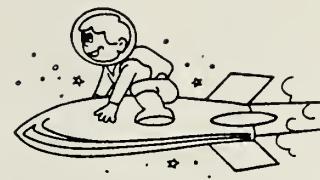

The extra-cold temperature really pumped the team to a victorious game. The Manual Redskins were defeated 48-6 by the mighty Pioneers.

# Together Forever

## Magic and Memories

Gina and Tad-Together Forever.

Together Forever the theme to the 1994-1995 Senior - Junior Prom. Most people gave me this definition of the evening. "It is something you look forward to for years and then going to it with a special someone." Even though some went with friends and ex's-no matter what happened, is was a night to remember. Jasmine Gibson, Senior, had this to say "It was a great night we danced, laughed, and had the best time of our life.

Gina Bowen  
Assistant Editor

Jessica, where is your man?

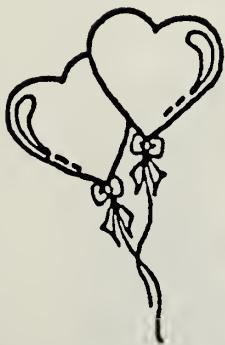

J.C and date -Strike a pose.

Billy and Crystal holding on to the night.

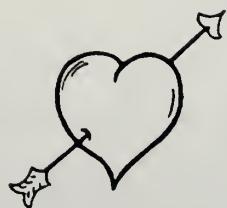

Antwan, he sure is sweet.

Brandon up to late? Peace man!

Jasmine and friends moving to beat.

# Pomp and Circumstance

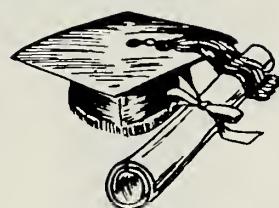

## 1994-1995

Graduation is defined in the Webster's Dictionary as an act of conferring or receiving academic degrees. In many cases students at Northwest seem to strive for that one thing a - diploma. Each year a class partakes in this ritual and each year the students seem to be better aware of what they want in life. No graduating class says that better than the class of 1995. Several Graduating students want to be doctor, homemakers, and even school teachers. This is not their end but the beginning of a new and exciting journey. So our hats go off to the class of 1995. You deserve it.

# The Sunshine Boys

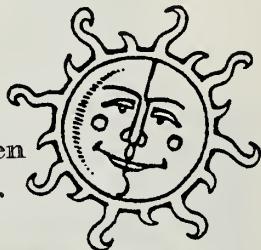

The Sunshine Boys cast.

**Vaudeville at its best**

Willie and Al-two great Vaudeville routine artists at their best. Northwest presented The Sunshine Boys as their spring play. It was a comedy about two ex-vaudeville actors trying to relive the good old days. Willie, played by Jon Ridenour, and Al, Joe Wilborn, despise each other and are asked to do their famous routine one more time. Despite their differences, they try to perform but never get through it because of Willie's heart attack. Even though the act was not completed, they found their lost friendship.

# Don't Drink the Water

## What can go wrong in two weeks?

With Ambassador Magee gone, everything! In the fall play, a vacationing family, the Hollanders are accused of spying and are forced to take refuge in the American embassy. Axel Magee, the Ambassador's son, is left in charge of this chaotic embassy while his father is away. Somewhere along the line, Axel stumbles across a "fool proof" plan to help the Hollanders escape. With the help of Father Droboney, also a part time magician, they finally make their way out of the country safely.

What in the \*!\*! does he think he is doing.

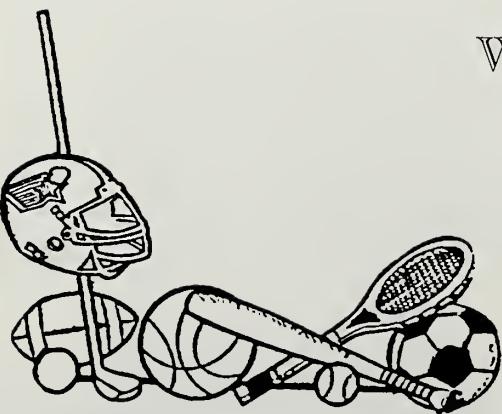

Make my day.

The world is a  
looking-glass, and gives  
back to every man the  
reflection of his  
own face. Frown at it,  
and it in turn will  
look sourly upon you;  
laugh at it and  
with it, and it is a jolly,  
kind companion.

Dear Underclassmen,

You are the future of Northwest. As the years go on it will grow and change along with you. So the outcome of Northwest rest in your hands. Make the most of your school and make it a place of which you can be proud of. Good luck in the years to come. Not only at Northwest, but for the rest of your life.

Sincerely,

Jennifer Groeschen

While some Northwest students have shown their talents on the sports fields, there are those who have excelled in the classroom. They are the Academic players.

They have achieved academic excellence, and hopefully will keep his determination all through college, and the rest of their lives. They, show us what school spirit really is.

# Staying In Tune

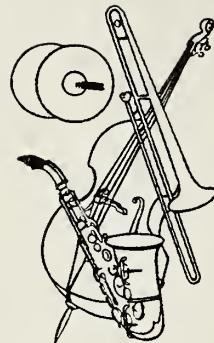

From Circle City Classic to the 500 Festival Parade, our band has been involved in many activities. The enthusiastic members and their director took time and energy to endure endless practices. They got up early, and stayed late for many of their performances. The band doesn't only perform in parades, they also act as an extra "Cheer Team" for the football team at home games.

The Orchestra has many of the same dedicated and loyal students. They spend countless hours rehearsing, and practicing music for their performances.

It is this kind of dedication that makes Northwest number ONE.

## Voices

The 1995-1996 school year has brought new and different people into the Northwest Music Department. The new and talented people include Mrs. Colvin, who teaches the Accents, Pioneer Choir, and the Gospel Choir. The Gospel Choir and Accents are going to the America Sing's Festival-for the homeless. As you can read Mrs. Colvin deserves a big pat on the back for helping students in Northwest show the public that we do have heart.

Mr. Newman a old pro in the Northwest Music Department is still doing his annual walk around the city fund-raiser for the NHS choirs.

Mr. White is also a new member of the Music Department he is teaching: Jazz Band, Orchestra, and Band.

# REFLECTIONS

95-96

Throughout our years at Northwest High School the Yearbook Staff has always tried to give us a yearbook we can be proud of, and we have succeeded. This year, however, we have outdone ourselves. Getting the story text edited and working hard to meet deadlines are just some of the tasks we have managed to accomplish, throughout the school year.

However, not all our memories of yearbook are working ones. With all that hard work going on we managed to find time to have fun. We'll look back on the fun times we had in yearbook with fond memories. The photos, the captions, the moments, and the memories. Thanks goes out to the 95-96 Yearbook Staff and photographers for the great job they did.

## Newspaper

Rhoda, hard at work.

The Telstar has undergone many changes in the past few years. After being abolished by the school for nearly thirty years it was resurrected in 1990. First advised by Mrs. Stacy Ray, and then later by Mrs. Doris Townsend, Telstar is starting to become a newspaper once again. Until last year not very many students knew there was even a newspaper, the Telstar made it's mark with controversial editorials, and a strong entertainment section. With talented writers, and lack of teacher supervision, the writers have the chance to produce a modern and well rounded newspaper, making the Telstar one of the best.

# The few, the proud

Sometimes, in school, you thought that you worked harder than everyone else; that no one ever worked harder than you did. You may have been right, but perhaps some of the most devoted Pioneers in the school, were those of JROTC. Being a part of JROTC meant achieving tasks physically, as well as mentally. Through difficult work some have managed to advance in rank and are proud of their achievements. Some might go on to pursue a career in the Armed Forces, some may not. However, all will forever have our respect and skills that will last them for a lifetime.

What was that !?!

Let's see what's cooking! Family and Consumer Sciences teaches the basics in cooking and food preparation. Students prepare meals for the teacher luncheons. Cakes, pastries, salads, and delicious meals are a sampling of the fine dishes on the menu. Anytime you're walking down the hall and the aroma of the food is in the air, it's probably the Family and Consumer Sciences class cooking up a tasty treat.

# The Technology

## of the future

Northwest is popular for offering classes that are career oriented like Industrial Technology. In Industrial Technology young men and women learn skills that are essential to a career in auto mechanics. These students enjoy the skills that they learn and are very happy in the jobs Industrial Technology enables them to get.

This begins the first Graduating "Pioneer" class of the Business and Finance Magnet. Throughout the four years of the magnet the students have done many things. They have even taken a trip to Chicago, cultural dinners, exhibitions, and going out with mentors. Best of all they got to do internships that earned them 2 credits and even were paid for it. So present and future magnet students just think of all the things you will get if you perform your task to the fullest.

Individuality is a vital part of a persons attitude, and social envolments. Clubs are that oulet to students here at Northwest. Spanish, French, Spell Bowl, Sierra, Chess, and Gospel Choir are just a few of the clubs Northwest has to offer. For the students who want to be challenged, and would like to achieve more one these clubs might give you your own sense of individuaity.

## and Motivators

Is my face RED?

I'm waiting?

Last year a new student group was introduced to Northwest called S.L.A.M. which stands for Student Leaders and Motivators. This group was started because of the changes students thought had to be made in order to grow and improve Northwest. A challenge S.L.A.M. faced was helping the Washington and Howe students who were coming to Northwest get acquainted with their new surroundings. Now S.L.A.M. is the new student council which organizes the events that Northwest students participate in during the school year.

# Spell It

## Super Spellers

Elizabeth thinking hard.

The pressure was intense. Silence filled the auditorium. You could almost hear the heartbeats of each student as they waited for the moderator to announce the next word to be spelled. Tension grew, while the clock ticked away the seconds.

Northwest students competing in the Spell-Bowl were poised and confident; each taking turns in a multi-round contest of spelling accuracy. Northwest placed 4th out of 9 schools, beating such rivals as Decauter Central and Lawrence North. Coached by Mrs. Freeman, she brought her enthusiasm and expertise from Howe. Another welcomed addition to the staff. Mrs. Freeman also coaches the Brain Game team whom we anticipate to do an outstanding job.

## Northwest At It's Best!

The Academic Honors Awards banquet is a night in which students with a 6.5 grade point average are recognized for their achievement. On this much awaited evening, students are awarded a Northwest academic jacket provided by NBD. This year, 31 students were recognized for their outstanding academic performance.

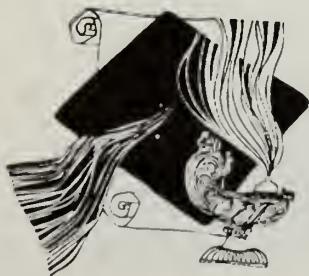

Among the students that were awarded jackets 13 were Business and Finance Magnet students and a handful of Washington and Howe students. Along with dinner and the presentation of jackets, top students in the sophomore and junior classes were given awards. Several inspirational speeches were made to wish the recipients well in the future.

# The Bridge Program

## Students get a puddle of knowledge

Students from Washington that came to Northwest brought along new programs. The Bridge Program was just one of them. Bridge is a program that is designed to "Bridge" the gap between high school and college. Students have the opportunity to spend a weekend at a college that they would like to attend in the future. From the way things look students have already began to get their feet wet in the aspects of college life.

# Teaching the Basics to students and children

It's a small world . . . little hands and feet stay busy during the Child Development Playschool. Northwest students provided activities for little ones from the neighborhood. For some, it was an opportunity to be a big brother or sister, giving guidance and sometimes wiping crying eyes. All of the students soon realized what it was like to be a parent for a minutes each day.

# Making up the difference with Mathematics

Algebraic equations, Diagonals, SOHCHATOA, are several of the things that are essential to being a good student in math. It also helps when you have great teachers like : Mrs. Dowden, Mr. Daghe, Mr. Seitz, Mr. Volk, Mr. Ireland, just to name a few. Northwest have several teachers that add up to the call of duty. So next time you are in math just think how hard it must be to keep track of all those grades.

## Casey At The Bat

The outlook wasn't brilliant for the Mudville nine that day;  
The score stood four to two, with but on ending more to play;  
and so, when Cooney died at first, and Burrows did the same, a  
sickly silence fell upon the patrons of the game. A straggling  
few got up to go in deep despair. The rest clung to the hope  
which springs eternal in the human breast; they though if only  
Casey could but get a whack at that, they'd put up even money  
now, with Casey at the bat But Flynn preceded Casey, as also  
did Jimmy Blake, and the former was a pudding and the latter  
was a fake; So upon that stricken multitude grim melancholy  
sat, for their seamed but little chance of Casey getting to the  
bat. But Flynn let drive a single, to the wonderment of all, and  
Blake the much despised tore the cover off the ball; and when  
the dust had lifted, they saw what had occurred, their was Jimmy  
safe on second, and Flynn a-hugging third. They for the gladden  
multitude went up a joyous yell, bounded for the mountain to  
, and rattled in the dell; it struck upon the hill side, and recoiled  
upon the flat; for Casey might Casey, was advancing to the bat  
their was ease in Casey's manner and he stepped into his place,  
their was pride in Casey's bearing, and a smile in Casey' face;  
and when, responding to the cheers, he lightly doffed his hat, no  
stranger in the crowd could doubt 'twas Casey at the bat.

Brandon with on last stretch.

The Cross Country teams had a sensational season. They pulled together to be the best teams they could be. The girls' team, led by Kim Lowe, had very few runners, but those who ran sure left their mark on the other teams. With every race the girls scores continued to decrease and they continued to improve.

Led by Coach Hausman, the boys' Cross Country team improved greatly. They placed seventh in City and ninth in Sectionals. Congratulations to both teams on an excellent job!

# Powerhouse Wrestling

The Northwest wrestling team had a superb season in 1995-1996. The powerhouse wrestlers were pinning the toughest competition in the city. Northwest had a team of successful, hard-working, and undefeated talents. We hope to see and even bigger and better season next year.

## It's Not Just a Man's Sport

**Practice makes perfect**

The NHS Girls Basketball Team had an Astonishing season this year. Leaders like Brecka Jackson, and Stephens the team seem unstoppable, hard-working, and on a winning craze. Way to go Lady Pioneers.

# NHS Boys Basketball

## Nothing But NET

The NHS Boys Basketball team is having a great season. With a huge victory over Secina the Pioneers improved their record to 10-8. With such players as Chris White and Damon Lee the Pioneers are sure to go a long way in the tournament.

# Serving It Up

The volleyball team served up a hot season this year. With a total sweep at the Sheridan Invitational, and a close call in sectionals, they kept the other teams on their toes. The captain, Cathleen Garcia, stated, "It was not our best season, but we had fun and learned a lot from each other during it." Congratulations for giving your best for the team and the school.

## Giving All They Got

## Success

Success is speaking words of praise

In cheering our people's ways,

In doing just the best you can

With every task and every plan.

It's silence when your speech would hurt.

Politeness when your neighbor's curt.

It's deafness when the scandal flows,

and sympathy with others' woes.

It's loyalty when duty calls,

It's courage when disaster falls,

It's patience when the hours are long;

It's found in laughter and in song;

It's in the silent time of prayer,

In happiness and despair

In all of life and nothing less

We find the thing we call success.

# Cheerleading . . .

## A split above the rest

Hip, Hop, Hooray! The Cheerleading squads may cheer at any one of the Northwest sporting events. Even though it may not be considered a "sport" the girls still give it all they've got in the hours of practices, and dedication they spend preparing for the weeks events. So when you hear them saying their words of inspiration you know they are giving it their all.

# Bowling at NHS

## Strike it up!

Another gutter ball!?

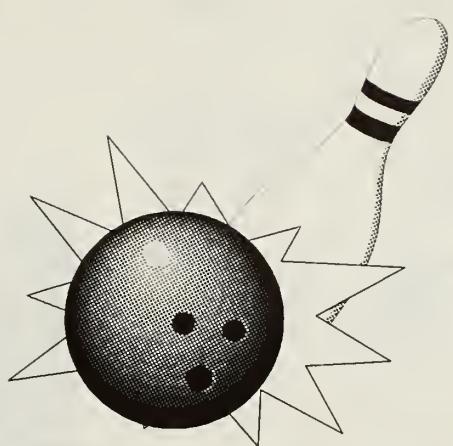

Concentrate Yoda!

The clattering of the pins, the rolling of the ball, that is what you hear from the NHS Bowling Teams. At Raceway Lanes, teams of three bowlers each compete against each other, not only for fun but for victory against fellow school members. Elizabeth Webb, a member of the team BLB stated, "The league is fun because it does not seem like a competition because we are not up against other schools." To all of the bowlers-keep up the good work and keep your balls out of the gutters.

James Albright started his teaching career at Northwest in the fall of 1963. Mr. Albright received a Degree from Hanover College with masters in both Chemistry and Physical Education. Mr. Albright has had many memorable experiences at Northwest such as: winning the City Science Tournament, and most rewarding Girls' Basketball Sectional in 1984. With his innovative teachings and corny jokes Mr. Albright has brightend the way for many studnets to pursue a Science Career. Mr. Albright will be greatly missed and will leave a void in the Heart of Students.

# Nora Jones

## The top "A" in English

Mrs. Jones began teaching at NHS in the Mid 1960's. She has seen many changes, but one thing has remained the same her love of students. Nora Jones has had a "No Nonsense" approach to teaching. She has always insisted on excellence. In recent years , ISTEP scores improved through her leadership, as she worked with all teachers to help students improve their reading and writing skills.

In retirement, we hope that Mrs. Jones will remain a rested but active member of her community. She will always be remembered and welcomed at Northwest High School.

*Reflections . . . Who are we? What have we done? Where are we going?*

These are questions that all of us ask ourselves as we travel through life. How others see us is often mirrored in our behavior and deeds. We reflect the body of influences that each of us brings to this gathering of souls as we try to learn life's lessons from our teacher, as well as one another.

We can also reflect on our own individual contributions to the cause . . . Our Education. How many of us have

been leaders? How many of us have made a difference? What could have been done?

Reflections are not only remembrances, but pauses to ask questions. Our intention for this book was-to reflect Northwest High School in a positive way. In closing, however, we also want to provoke the Northwest community of students, parents, and teachers to improve upon who we are, what we are doing and make a difference for our future.
